

AMS Dog Policy:

1. **Public Events:** If an AMS event is held in a public venue or facility that does not allow dogs, AMS members may not bring their dogs to the event.
2. **Forays:** Dogs are not permitted on AMS forays. This restriction will be clearly stated in all foray announcements.
3. **Camping Events:** Dogs are allowed at AMS camping events under the following conditions:
 - Dogs are not permitted on associated forays.
 - Dogs must remain on a leash when in the presence of AMS members.
 - Dogs must not be left unattended in a vehicle.A notice regarding these conditions will be included in all camping event announcements.
4. **Combined Events:** For events that include both forays and camping—such as the Great Alberta Mushroom Foray—all applicable policies above will apply.

Note 1: This policy does not apply to licensed service dogs, which are subject to separate legislation.

Note 2: Individual foray leaders may choose to host a foray that allows dogs. If a foray permits dogs, this will be explicitly noted in the event announcement. (This needs to be approved.)
